

Annexe 6: J'étudie sur le terrain les plaines sèches et l'érosion de la rivière (sortie pédagogique sur les bords de la rivière d'Ain et au camp militaire de la Valbonne), 11 avril 24

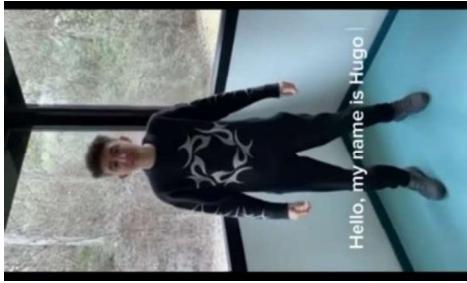

## Je développe les problématiques du changement climatique inhérentes aux différentes régions étudiées (avril)

Enregistrement des vidéos de la session 3 des écoles connectées

A screenshot of a video player interface. At the top, it says "Lycée de la Côte" and "Ujanburail Group 1 Bangladesh". Below that, there's a message: "Dear partner, Here is our next video on warming and rising oceans. More videos to come soon." The main content is a graph titled "Sea Levels Continue to Rise" from "National Oceanic and Atmospheric Administration". The graph shows a blue line with a red shaded area representing the range of sea level rise from 1900 to 2010. The y-axis ranges from -20 to 100 cm, and the x-axis shows years from 1900 to 2010. A large green play button is in the center of the graph. To the right of the graph, there are several video player controls: a share icon, a like icon with "Nous aimons 2", a comment icon with "Commentaire 2", and a view count of "8 vues". Below the video are categories: "13 À 16 ANS", "ANGLAIS", "CHANGEMENTS CLIMATIQUES", and "EUROPE".

United Schools, avril 2024

A screenshot of a video player interface. At the top, it says "Lycée de la Côte" and "Ujanburail Group 1 Bangladesh". Below that, there's a message: "This video deals with the end of winter sports. This year we had far less snow in the Alps than in the past." The main content is a photograph of a snowy mountain range under a clear blue sky. A green play button is in the center of the image. To the right of the image are video player controls: a share icon, an impression icon with "Impressionnant 3", a comment icon with "Commentaire 2", and a view count of "5 vues". Below the video are categories: "13 À 16 ANS", "ANGLAIS", "CHANGEMENTS CLIMATIQUES", and "EUROPE".
